What is my Username? The portion of your email address that appears before the '@' symbol.

What is my Password? This would have been created when you set up your email account. The requirements for your email password are:

1. A minimum of 8 characters (we recommend 12 characters)
2. Use a mixture of uppercase letters (A-Z), lowercase letters (a-z), and numbers (0-9)
3. At least one of each character listed in step 2
4. No dictionary words or names
