Potenza Remote

SET UP YOUR WIGHTMAN TV REMOTE TO CONTROL YOUR *SET-TOP BOX*

- Ensure that your Wightman TV remote control has batteries installed. TIP: Wightman TV remote uses two AA batteries.

- Press the STB button once. TIP: The STB button should light up.

- For Entone Kamai or Amino Amulet 6 Set-Top Boxes, press and hold SETUP and the number 7 until the STB button blinks twice.

- For Amino 140 or 540 Set-Top Boxes, press and hold SETUP and the number 1 until the STB button blinks twice.

- Test the TV remote with the Set-Top Box by trying to control your TV.

Entone Kamai

Amino Amulet 6

Amino 140 or 540

SET UP YOUR WIGHTMAN TV REMOTE TO CONTROL YOUR *TV*

1. On your Wightman TV remote control, press TV once; the TV button will blink once. Then press and hold SETUP until the TV button blinks twice.

2. Press the numbers 9-9-1.

3. The TV button will blink twice.

4. Aim the remote control at your TV and press POWER once.

5. Slowly press and release the CH+ button repeatedly. Stop when the TV turns off. NOTE: In this search mode, the remote control will send codes from its library to the selected device, starting with the most popular code first.

6. Press POWER to turn your TV back on.

7. Press SETUP once to lock in the code. The TV button will blink twice to indicate that the code is saved. NOTE: If your TV does not turn on during step 6, repeat step 5 more slowly.
